# Certification Institute

Become a certified interviewer and trainer in the Routines-Based Interview method

**Monday, July 13 - Friday, July 17**  
Siskin Children's Institute  
Chattanooga, Tennessee

The Routines-Based Interview is used in many states and programs worldwide. Twenty-one selected applicants will participate in the 7th annual RBI Certification Institute, an intensive, hands-on training opportunity including demonstration, practice and feedback.

- Families available to interview
- Two concentrations: planning for children birth-3 years of age and 3-5 years of age
- Follow-up assignments ensure competence before certification

**Founder**  
**Robin McWilliam, Ph.D.**

*Dr. Robin McWilliam is the Director of the RBI Certification Institute, leading a faculty of experienced interviewers and trainers. Numerous states and communities have adopted his procedures for conducting the RBI.*

**Application deadline: March 31 • Selections made April 15**

Since 1950, Siskin Children's Institute has served children with special needs such as autism, developmental delays and Down syndrome. The Institute achieves its mission through a quality early childhood education program where children with disabilities learn together with typically developing children; family support and community outreach programs; research focusing on early childhood development and special education; and developmental and behavioral pediatric health care. For more information, visit [www.siskin.org](http://www.siskin.org).
